

PEMBERTON UNITED METHODIST CHURCH
MARCH/APRIL
NEWSLETTER

During times of uncertainty, we must be reminded that God is in control. I have spent these past few days on conference calls with our district superintendent and other clergy as we navigate how to do ministry despite this Coronavirus /CONVID-19 pandemic. I've spoken with countless people across generational lines and most of us have agreed that this is something we have never seen, experienced, or witnessed in many our lifetimes.

While we know that God is in control, we must also maintain the guidelines given to us by the CDC. Some of the guidelines include: social distancing; do not be in groups of 10 or more; avoid close contact with people who are sick; avoid touching eyes, nose, and mouth; stay home if you're sick; wash hands often with soap and water for at least 20 seconds; and refrain from handshakes, hugs, kisses, etc.

All bible studies have been cancelled until further notice. However, we will have Sunday Service via Facebook Live. A link will be provided to you on Saturday with more information on how to access the Facebook Live Service.

Please know that the other leadership along with myself are praying for each and every one of you during this time and season. Remember that the church is open though the building is closed!

"He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty." - Psalm 91:1

Shalom,

Pastor William D. Carter, III
